**LAS VEGAS** – [Radio City Pizzeria](#) will bring its authentic New York style slices and original Italian dishes to downtown Las Vegas with the premiere of its second location inside the Plaza Hotel and Casino. Fresh off a successful debut of the flagship restaurant in Tivoli Village, the pizzeria is slated for an end of year opening within the Fremont Street resort.

“We are thrilled to be expanding Radio City Pizzeria to a second location in downtown Las Vegas,” said Elias Ghanem II, Radio City Pizzeria creator. “The Plaza Hotel and Casino is positioned in the heart of the city, and it provides the perfect setting for introducing our savory slices and tasty dishes to visitors.”

Radio City Pizzeria will be located directly off the casino floor in the Plaza, allowing an ease of access for tourists and locals. The signature pies can be dished by the slice or whole, offering gourmet options including chicken parmesan and taco pizzas as well as gluten free and vegan items. For those looking for additional Italian offerings, traditional zeppole and cannolis will be available.

“The Ghanems have called Las Vegas home for over thirty years, and we are proud that their traditional Italian pizzeria will soon be calling the Plaza home,” said Tony Santo, CEO and president of PlayLV and Santo Gaming. “At the Plaza, we have been committed to providing high-quality, Las Vegas-based casual dining options that offer our guests great food and a great value. So, we are very excited to welcome Radio City Pizzeria to the Plaza later this fall.”

Radio City Pizzeria at the Plaza will feature 2,000 square feet of seating area as well as a bar serving premium beer. The Tivoli Village restaurant is located at 410 South Rampart, Las Vegas, NV 89145, and is currently open Sunday through Thursday, 11 a.m. to 9 p.m., and Friday and Saturday 11 a.m. to 10 p.m. A full menu and additional details can be found online at [www.RadioCityPizza.com](http://www.RadioCityPizza.com).
