**Swingers Club at the Plaza Hotel & Casino announces auditions for  
new downtown Vegas hotspot and reality TV series**  
*New bar, entertainment venue will also hold a job fair in early August*

**LAS VEGAS** – As it prepares to open in downtown Las Vegas, the Swingers Club at the Plaza Hotel & Casino is hiring a cadre of talented locals to staff the unique venue, which combines dueling pianos and mini golf in a laid-back bar and lounge environment.

But this hiring process comes with a twist. Local entertainer and entrepreneur Anthony Cools and his partners behind the Swingers Club are producing an edgy reality television show, which will serve as a high-profile, very public selection process to find employees for the new bar.

The as-yet-unnamed reality TV show will be staged at a house in west Las Vegas and will serve as “home base” for a number of staff members who will be working at the club, as well as Cools’ racy new hair salon, Exposed, which will also be opening soon in the newly renovated Plaza.

“The reality TV show is the perfect vehicle for finding the right personalities to work at the Swingers Club and Exposed,” said Rev. T. Talbot, one of Cools’ partners in the new club and a developer of award-winning hospitality and entertainment concepts globally. “The proposed show is the equivalent of ‘Kitchen Confidential’ colliding with ‘the Real World Las Vegas.’ Placing complete strangers in confined quarters is one aspect, but when they all work in the high-energy, sexually charged and tumultuous nightlife industry...well, it’s going to be interesting.”

Cools called it “truly a dynamic and matchless experience. Our concept focuses on putting entertainment and cheerful socializing back into the nightlife scene.”

Auditions for positions at the Swingers Club will take place at a special job fair, which will be held at the Las Vegas Club, located across Main Street from the Plaza, during the week of Aug. 1, from 9 a.m. to 5 p.m. Monday through Friday. Interested applicants should bring their resume and professional head shot photographs.

Call-back auditions will be held during the week of Aug. 8, and orientation, training and screen tests will occur the week of Aug. 15, just prior to the new venue opening Aug. 24.

“We have positions for approximately 30 vibrant, extroverted and fascinating personalities,” Talbot added.

Interested individuals are also asked to “like” the Swingers Club’s [Facebook](#) page, where they can find updates on the hiring process.
