## **Plaza Hotel & Casino to offer Nevada’s only million dollar bingo game, Aug. 1**

**LAS VEGAS** – Home to the only bingo room in downtown Las Vegas and the highest payouts in the valley, the [Plaza Hotel & Casino](#) will now offer the only million-dollar bingo game in Nevada.

The Plaza will introduce Bingo Millions<sup>®</sup> on Aug. 1. Players can win the entire jackpot by completing a coverall pattern in 47 ball calls or less. Players can win other jackpots up to \$25,000 for completing their coverall in up to 54 ball calls. All prizes are paid on a no-split basis, except for the grand prizes which are aggregate.

The odds of winning the Bingo Millions’ jackpot are considered to be some of the best in the industry. The game was the brainchild of Weldon Russell, bingo manager at the Plaza. Russell’s bingo career spans decades, and he is known in the Las Vegas bingo community as an innovator in the game.

“It is very exciting that the Plaza will have the only bingo room in the state with this game and incredible jackpot,” said Russell. “Over the years, bingo at the Plaza has grown. We welcome players of all ages and demographics at our six daily games and hundreds more from all over the country for our Super Bingo events. This new game offers a million more reasons to come to the Plaza to play bingo.”

Created by Gaming Arts, a family owned Las Vegas-based business, Bingo Millions follows other cutting-edge bingo games at the Plaza, such as the industry’s first interactive Super Spin Bingo<sup>™</sup> games where players can spin and win prizes up to five times more than traditional games.

“These interactive games bring an unmatched spirit to the room. That excitement coupled with our commitment to create a fun, relaxed environment and is why people come to the Plaza for bingo,” added Russell who leads a seasoned staff at the bingo room at the Plaza, including the industry’s first-ever bingo ambassador dedicated specifically to the customers’ experience.
