**LAS VEGAS** – Known around the world for his historic and life-changing roulette bet in 2004, Ashley Revell will return to the [Plaza Hotel & Casino](#) to place a ceremonial bet on the Plaza's new and downtown Las Vegas' only single 0 roulette table on Saturday, Nov. 2 at 6 p.m. The Plaza will also debut its "Red 7" single 0 roulette promotion that will run through Nov. 7.

Revell made international headlines when at 32 years old he bet his entire life savings playing roulette at the Plaza. Hailing from England, Revell sold all his possessions to place a \$135,300 bet on red, which had a less than fifty-fifty chance of winning. The roulette ball landed on Red 7, and Revell won \$270,600. The bet and dramatic win was broadcast by Sky One, a British television show and seen by millions around the world in the years since on the [internet](#). His monumental bet even inspired a reality show, called Red or Black, created by Simon Cowell.

To commemorate Revell's historic bet, on Nov. 2 the Plaza will launch its "Red 7" promotion enabling guests who are playing on the new single 0 roulette table to win a \$25 promotional chip when the roulette ball lands on Red 7 (complete rules available [online](#)). The Plaza's single 0 roulette table is located in the casino's recently refreshed, local sports themed party pit, where photography is encouraged so guests can share their fun on social media, #PlazaScore.
