Plaza Hotel & Casino launches podcast, “On the Corner of Main Street”
Listeners will get inside scoop on the latest in downtown Las Vegas, gaming and entertainment

LAS VEGAS – Eager to share the latest and greatest news and happenings in downtown Las Vegas, the [Plaza Hotel & Casino](#) has launched “On the Corner of Main Street,” a new weekly podcast offering listeners an inside scoop on gaming developments, exciting events, and the amazing people making downtown Las Vegas unique and a fast-growing destination.

On the podcast, Plaza CEO Jonathan Jossel will be joined by special guests, including entertainers, gaming industry leaders, local officials and partners who will share their own exclusive and often entertaining perspective on where Vegas got its start – downtown - and where downtown is going now.

“I regularly greet guests and residents, alike, who are amazed by everything going on at the Plaza and in downtown Las Vegas,” said Jossel. “Not since the heyday of the Rat Pack era has downtown Las Vegas been so exciting. This podcast will be a fun way to highlight downtown’s developments, including new shows, restaurants and attractions and introduce listeners to the people behind the projects that are setting downtown Vegas apart. From my personal anecdotes of running a downtown Vegas hotel/casino to the stories of downtown’s iconic past and the perspectives of current Las Vegas leaders, *On the Corner of Main Street* will be the place to hear all about downtown Las Vegas.”

The initial 12-episode series of *On the Corner of Main Street* will be available on the Plaza’s website as well as on Spotify and the Apple Podcast App, airing weekly on Wednesdays starting Feb. 19. Special guests will include downtown developer Sam Cherry; former mob attorney and Las Vegas Mayor Oscar Goodman; the Plaza’s bingo manager, Weldon Russell; and William Hill US CEO Joe Asher.

On the Corner of Main Street will be produced by [Utter Clarity LLC](#), a podcast production company comprised of seasoned professionals from business, broadcasting, entertainment and professional sports.
